

Children's Dental Services

Dentist

Children's Dental Services (CDS) is an independent, non-profit agency dedicated to improving the oral health of children from families with low incomes by providing accessible treatment and education in our diverse Minnesota community since 1919. CDS provides care to children up to 26 and to pregnant women.

Position Summary:

Opportunity to work in an exciting and diverse environment, providing care to a variety of patients. Provide skilled dental care to children and pregnant women, in compliance with the Dental Practice Act and the policies and procedures of Children's Dental Services. Flexible scheduling, full and part-time applicants considered. Salary to be negotiated.

Responsibilities include:

- Provision of all basic general dentistry services.
- Review all patient charts and health history prior to providing any treatment.
- Observe, evaluate and apply knowledge of dental skills to the patients.
- Work cooperatively with the dental team, providing care in that setting
- Accurately record all procedures and pertinent information in patient record.
- Provide individualized care to each patient.
- Assist in managing support personnel.

Qualifications Sought:

- Graduate of an accredited dentistry school.
- Currently licensed in the state of Minnesota.
- Pediatric dental and public health experience preferred.
- Work requires travel to various clinical locations within the Metro area.
- Bilingual ability helpful. People of color are encouraged to apply.
